

SATURDAY OCT 9

YOUTH AVIATION DAY

Meet teen pilots, technicians and engineers!

Explore careers!

Earn a digital aviation badge!

Get lots of swag!

**Check out the drones,
model aircraft, and more!**

Scan QR Code to Register

Students in grades 7th and up are invited to learn what it takes to become a pilot, aerospace engineer, or aircraft technician!

Join us at the GTCHS Student Learning Center on the Greenville Technical College, Barton Campus, building 125.

Doors open at 9:30 a.m.; our program will be 10:00-Noon

Please register to assist us in planning.
